Funding for young talented players

South Oxfordshire District Council is now offering awards of up to £250 to help with Young Achievers expenses as they climb the rungs at elite sports level. Any young netballer at talent level within the District Council is invited to apply for funds to help with their expenses (affiliated clubs which operate in this District are Arrows, Chalgrove, Sutton Courtney Swans, Wallingford and Watlington) - but the main criteria is that the player lives in this District.
